

COURSE DESCRIPTION

All students are responsible to bring their **IRPG's** (Incident Response Pocket Guide) **FLHB's** (Fireline Handbook) and the applicable **PTB** (Position Task Book) to each class session. Classes will start at **0900** on the first day and **0800** thereafter. All one day classes will start at **0800**. Additional items will be mentioned on the course acceptance letter. You are responsible to double check your enrollment status, current address, phone numbers, and email addresses. This will help ensure that you as the student will receive any and all the information pertaining to the class you are enrolled for. **If your supervisor has enrolled/nominated you, it's critical that you double check your enrollment status.**

By clicking on the **ROLL** for each class, you can see an updated class enrollment. This will be done weekly. Any questions or concerns call Angie Menlove (801)863-7704 and or Dan Cather (801)863-7423.

S-244 - FIELD OBSERVER

Course Description:

This course provides the student with the skills necessary to perform as a field observer (FOBS) and/or a prescribed fire effects monitor (FEMO). The class includes a daylong field trip. Topics include: identifying and interpreting maps, making map calculations, using observation aids and instruments, performing field observations, and communicating information.

Objective:

- Demonstrate the skills, knowledge, and tools necessary to gather and report information for incident planning.

Target Group:

Personnel desiring to be qualified as a field observer (FOBS) and/or prescribed fire effects monitor (FEMO).

Course Prerequisites:

Intermediate Wildland Fire Behavior (S-290).

Successful completion of pre-course work.

FOBS: Qualified as any single resource boss (Crew, Dozer, Engine, Felling, Tractor/Plow)

OR

FEMO: Qualified as a firefighter type 2 (FFT2)
